Notes: 1. Data based on past week reference period.

2. Annualized data for 2014 from the Labor Force Survey is the average of estimates for April, July and October survey rounds. The estimates for these rounds exclude data for Leyte province only while that of January exclude Region VIII.

3. Annualized data for 2015 from the Labor Force Survey is the average of estimates for January, April, July and October survey rounds. The estimates for these rounds exclude data for Leyte province only. The use of the four survey rounds that exclude Leyte was based on the results of the referendum conducted among members of the Inter-Agency Committee on Labor and Productivity Statistics.

\* Less than half the unit used.

Notes: 1. Annualized data for 2014 from the Labor Force Survey is the average of estimates for April, July and October survey rounds. The estimates for these rounds exclude data for Leyte province only while that of January exclude Region VIII.

2. Annualized data for 2015 from the Labor Force Survey is the average of estimates for January, April, July and October survey rounds. The estimates for these rounds exclude data for Leyte province only. The use of the four survey rounds that exclude Leyte was based on the results of the referendum conducted among members of the Inter-Agency Committee on Labor and Productivity Statistics.
